

# National Institute For Engineering And Research

## *Important Dates*

- Final Paper Submission :
- Last Date of registration :
- Date of conference :

## *Overview*

Welcome to the official website of . It will be held on at . It is being organized by NIER to provide an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application. will provide an excellent international forum for sharing knowledge and results in Biomedical Engineering, Biotechnology, Biology, Chemistry. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet the share cutting-edge development in the field.

## *Objective*

Our main objective is to promote scientific and educational activities towards the advancement of common man's life by improving the theory and practice of various disciplines and sectors of Engineering, Life-Sciences. NIER being one of the largest professional association of south asia organizes conferences, workshop, seminars and/or awareness programs by providing the technical and other supports to improve research and development activities, publishing high quality academic international journals as well as upto date and current transactions.

| <i>Categories</i>        | <i>International</i> | <i>Indian</i> |
|--------------------------|----------------------|---------------|
| Student (B.Tech/B.E)     | 150                  | 4000          |
| Student(M-Tech)          | 200                  | 5000          |
| PhD/Research Scholar     | 200                  | 5000          |
| Academician              | 250                  | 6000          |
| Industrial Professionals | 300                  | 7000          |
